#### SWARG VISION

To set the standard for residential care, ensuring optimal quality of life for all residents, with an emphasis on their holistic needs and valuing their individuality.

#### SWARG MISSION

To provide a high quality of Holistic Individual residential care in a cost effective manner ensuring our residents are cared for with dignity and most importantly, retain a purpose in life

#### ABOUT SWARG COMMUNITY CARE (SCC)

A concept home and wellness center was born to the city of Vadodra, Swarg Community Care is Gujarat's first Rehabilitation & Residential Aged Care Center, founded on April 14, 2012 by **Mr. Amit Limbachiya**. Swarg is a 5 national awards winner organization.

#### UNIQUE AGENDA

With the goal to establish a care facility for bed ridden patients, this unique healthcare model offers help to those family members who are seeking a healthy stay plus care facility to keep their bed ridden elders. At Swarg the intention is to recover the care recipients from their fragile bed ridden condition towards total independency. Today, Swarg Community Care has four operational branches, two in Vadodra, one in Ahmedabad and now in Rajkot.

#### CENTRAL THEME

'Healthcare with human touch' being their central theme, Swarg Community Care is a residence for rehabilitation & 24/7 assistance with excellent in-house facilities. Swarg provides 24/7 nurses, care takers and paramedic assistance, physiotherapists, doctor's visit, laundry care, basic medical support, recreational activities and events, along with a plethora of social and spiritual activities.

## SWARG SERVICES

#### Residential & Palliative Aged Care

Service for bedridden, immobile & terminally ill elders who are no longer able to manage care & support at home.

#### Rehabilitation Aged Care (After hospital care)

Service for elders who discharged from hospital and need more attention on medical & physical care for recovery.

#### Retirement Home

Service for elders who are retired and wanted to live rest of the life in peace, freedom, respectful and meaningful.

#### Respite Aged Care (Short term care)

Service is designed to give temporary break to family from care giving duties & the person they care for. It is short term care for seniors.

#### Seniors Day Care

Service is designed to provide care & support to seniors who need a supervisor during a day.

#### Physio Aged Care

Service is designed for elders who are seeking cost effective physiotherapy care.
